Matt 8:18-22 Following the Miracle Worker... Reflect what it means to follow Jesus? As
we

follow Jesus, we are not doing him a favor he’s doing us a favor....

1. We learn to be careful how we follow vs. 18 crowds may seem attractive—committed
core Jesus wants to save your soul.

2. Careless statements scribbles – know the master- Master means teacher – authority
Jesus

the word 1 John 1 ...that was from the beginning –life giving word – Taylor gave his
heart to Jesus November 1990 – Lord, I thank you... Be clear about the commitment vs.

20

Faith – somethings are just not in God’s we will have trouble in this world... My spirit
man grows stronger day by day II Cor 8:9 became poor for your sake, and mine

THIS money can’t by Joy, Jesus Is Real so real to me – wipe tears take the bitterness
out

of the tears – Peace that surpasses all understanding.

3. Be committed vs 21 & 22 Jesus said follow me, let the dead bury the dead put everything

down...follow Jesus, seek the Lord while he may be found.... Come to Jesus – He will give Eternal Life! He is the way... The Bible says if any man lacks wisdom ask God!

He give me love to serve others... whatever cross there may be surely I;; get me crown, Help Me Lord!

4. To endure my pain my soul is determined to follow God....committed unto HIM! Way maker, healer, I'm glad I know HIM! Time is 8:44 p.m.
